Kestrels' Curriculum Newsletter Half Term 1

Dear Parents and Carers,

Welcome to the Kestrels' class! I am looking forward to an exciting year and I am very keen to help your child to develop all the skills they will need to prepare them for the future.

Please have a look at the timetable in the front of your child's Home/Link Book. You will see that PE sessions are on a Wednesday afternoon. Please can your child come into school wearing their PE kit every Wednesday.

This half-term, we shall be learning all about the Ancient Greeks. Our reading challenge will relate to this History topic and the Knowledge Organiser can be found on the school website. Please print this off and talk through the information with your child to help them to become familiar with the key facts. We will also be taking part in an exciting Greek workshop on the **16th October** (more information will be provided closer to the date). The Ancient Greek theme will cross over into other subjects where possible, while in Science we will be learning all about Forces.

We will be reading the book 'Freedom' by Catherine Johnson in class each day. Should you wish your child to have their own copy to bring into school to follow along whilst I'm reading, this would be great. Please do not read ahead with your child as we wish to experience this exciting reading adventure together as a class.

I would also like to invite you to a meeting on Wednesday 10th **September at 2:45 pm in the school hall**, in order to share more information regarding homework, projects and more about our day-to-day procedures.

Should you wish to speak to me, please catch me briefly at the start or end of each day, pop a note in your child's Homework Diary or e-mail the school office and I will try to get back to you as soon as I can.

I am looking forward to working with you to help your child achieve their best during their year in the Kestrels.

Kind regards,

Miss Herbert
