Dear Parents and Carers,

I hope this message finds you well. I am writing to inform you about the upcoming History homework assignments for your child, which will help enhance their understanding and engagement with the subject matter.

The first part of the homework is a book review, which is due on 24th January, your child was given their book and blank review to bring home yesterday. The second part of the assignment is a free choice project, which is due on 7th February. This allows students to our 'All the World's a Stage' History topic in a way that appeals to them, fostering creativity and independent research skills.

Should you have any questions or require further clarification regarding the assignments, please do not hesitate to reach out. I appreciate your support in encouraging your child to complete these tasks, as they are designed to enrich their learning experience.

Thank you for your attention to this matter. I look forward to seeing the wonderful work your children will produce.

Yours sincerely,

Kind regards,

Miss Herbert
