Owls Topic Homework: Spring One North America

Hello Owls! As our topic this half term is North America, here is a selection of choices for you.

- **English:** Persuasive argument. Convince North America to reduce their CO2 emissions. You need to be persuasive, factual and passionate!
- **Art:** Produce a collage promoting any country in North America
- **Art:** Produce a collage of any capital city in North America
- **DT:** Create a 3D model of any monument or statue in North America
- **Computing:** Use 2Connect or 2Chart on Purple Mash to document an unfamiliar country in North America

One English and one other is mandatory- you can complete more if you wish!

**** Deadline: First Thursday back after half term ****

Very best of luck!

Kind Regards,

Mr Geary
