## Spring One Curriculum Letter 2025

Dear Parents,

Welcome back! It's 2025 and there's lots of exciting things happening!

PE will continue to be on Monday afternoons with Delta Challenge. Please ensure that the children have sufficiently warm clothing during this period of cold weather.

Our topic this half is North America, a very cross curricular topic exploring the vast continent. Have a look at the knowledge organizer on the Owls Curriculum page- there's lots of useful websites and information about North America!

Our Focus text is The Man who walked between the Towers by Mordicai Gerstein- a story based on truly inspiring and true story of one man's passion, dream and determination.

Our focus this half term in Science is Light. Our topic in RE is Hinduism and our topics in PSHE will continue to stretch and challenge the children; preparing them for their transition to secondary school and young adolescent life.

If there are any questions please come and see me or Mrs Cornwell.

Kind Regards,

Mr Geary
