Wrens Curriculum Newsletter Spring 1

5th January 2026

Dear Parents,

I hope you have all enjoyed a relaxing and festive Christmas break and are looking forward to a new year and a new term in Wrens.

Topic

Our topic this term is 'Pets at Home' and it's one of our favourites! Full of creating, making, designing, reading and writing! The Wrens will be learning all about animals and how to look after them properly. We are looking forward to a visit from a real-life vet who is coming to talk to the children about pet care. Our science will be labelling and describing different animals and making sure we know the difference between domestic and wild animals.

Read Write Inc

This half term, we will continue to recap our Set 1 sounds as well as making a start on some Set 2 sounds. Some children will also begin to bring a 'take home' book from their Read Write Inc group in addition to their normal reading book from the library. Please make sure these 'take home' reading books are in plastic wallets everyday so that they can be changed for a new one when it is time. Please continue to enjoy sharing your reading book at home as often as possible and using your green speed sounds book to practice every night. The speedier the sounds, the easier the reading!

Timetable

Our weekly timetable has not changed for Spring 1:

Forest School

As the weather is very cold this half term, please ensure that your child has appropriately warm clothes on for Forest School. They need to have a hat and gloves and a warm coat not just a waterproof suit. The children will continue to go out in all weathers so it is important that they are warm enough to be comfortable when the temperature drops.

Thank you for your support and, as always, please pop in with any questions or concerns. My door is always open!

Best regards,

Miss Fowler
