Dear Parents,

Many thanks for all your help and co-operation over the past half term. We are very much looking forward to the residential trip next Wednesday. The children will find out who they are sharing a room with and who is in their activity group on Friday. If you have any questions about this, please let us know.

Although this half term is short, it is set to be very busy! As we look ahead to the next few weeks, please note the following:

This term in English, we will be writing narratives based on *The Great Kapok Tree* and non-chronological reports about rainforest animals. Our class reader is *The Boy at the Back of the Class*. If your child has a copy of this book and would like to bring it into school, or if you would like to purchase one, please feel free to do so. Please note that this is not compulsory.

In Maths, we will be studying fractions and decimals. In Science, our topic is *Electricity*. Our Topic this term is *Rainforests*.

Thank you for continuing to encourage your child to read each evening. We are fast approaching the statutory Times Tables Test, which will take place during the week commencing Monday 1st June. Further information will be shared next half term. In preparation, we would like the children to practise their times tables daily. All children have been given their 'TT Rockstars' login details. This is a fun and engaging way to practise and improve fluency in recalling times tables up to  $12 \times 12$ .

As always, if you would like to speak to us, please feel free to ask and we will do our best to see you as soon as possible.

Many thanks for your continued support,

Miss Yates and Mrs Booton
