

Virtual Memory Book

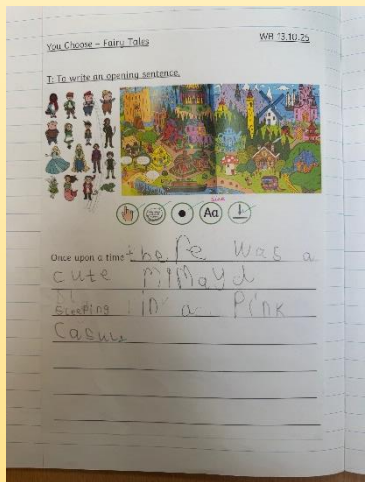

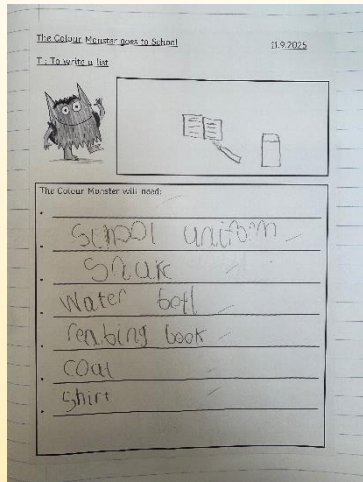

Robins
Autumn 1- 2025-26

English

In English this half term, we have focused on writing sentences – building our independence and remembering to use CAPITAL LETTERS, finger spaces and full stops (but not golf balls).

This half term in Maths we have been learning all about numbers to 10. Our favourite was definitely the 2 new songs that we learnt.

Click the pictures to hear the songs.

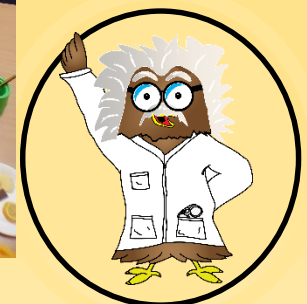

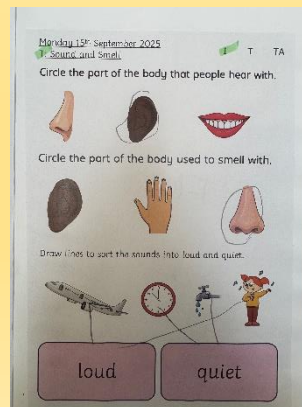

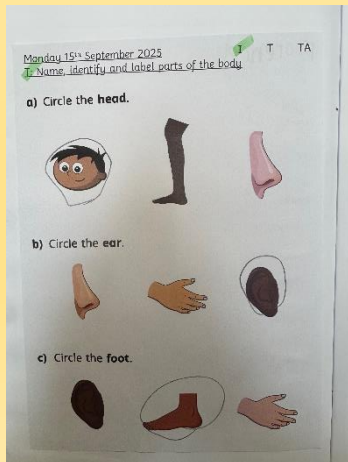

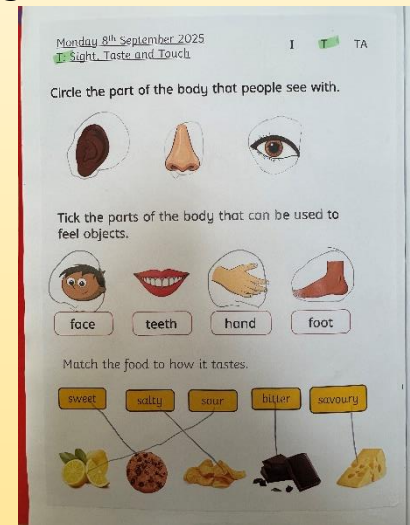

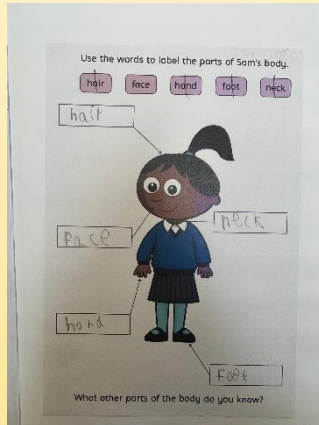

Mathematics

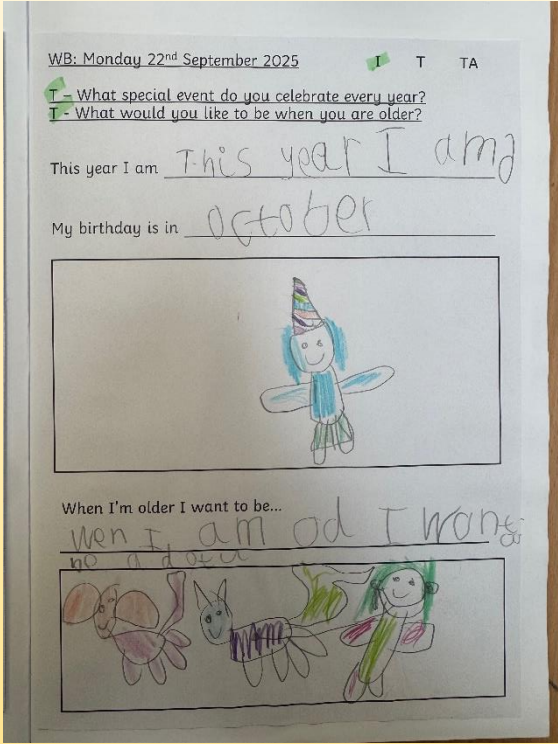

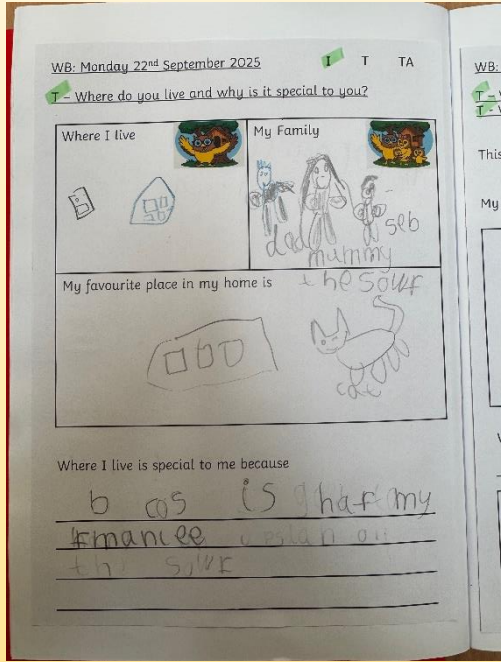

Science

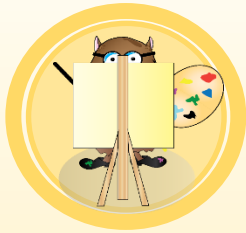

In Science this half term, we have been learning all about the **five senses** – seeing, hearing, smelling, tasting and touching. We named and labelled parts of our body and discovered which ones help us use each sense. Did you know your tongue has thousands of tiny taste buds? We are amazing scientists!

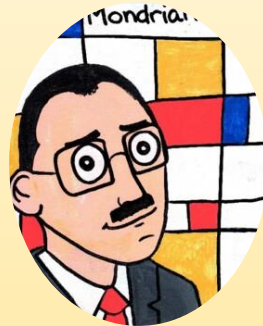

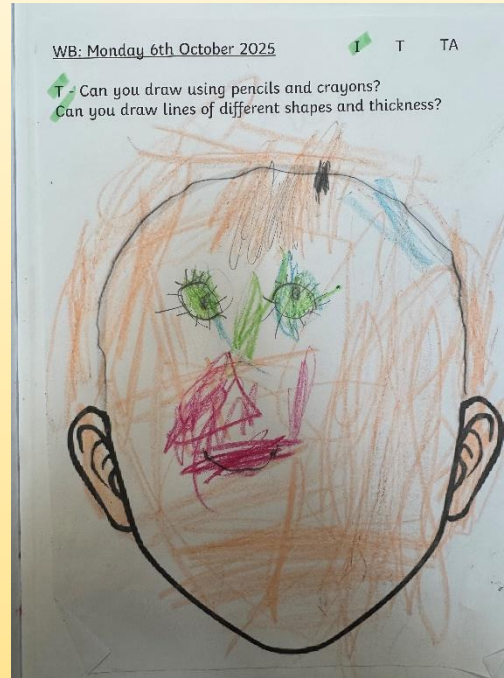

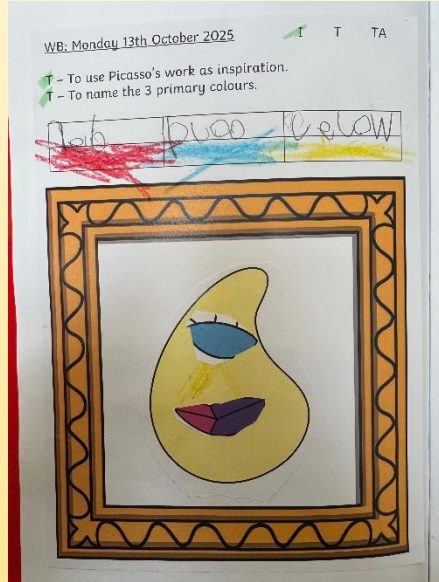

This is Me!

We continued our science learning in to our topic. We learnt about how we change as we get older, what we can do now that we couldn't do when we were babies, and also drew self portraits of ourselves.

Art and DT

We learnt the primary colours and secondary colours.
We learnt all about Piet Mondrian and created our own Mondrian inspired art work.
We also learnt about Pablo Picasso and we made our own Picasso faces.

Computing

In computing this half term we focused on how to stay safe online.

Our trusted adults.

We spoke about the important rules of always telling a **trusted adult** about things we see online.

Music

We have been learning lots of new songs and learning how to find the beat.

We spoke about which songs we did and didn't like, but we had to give a reason for our answer!

PE

We have been learning about coordination, balance and key skills such as running quickly, walking slowly and throwing and catching.

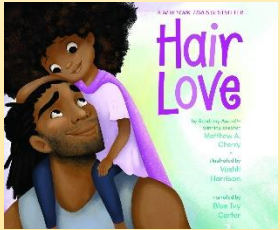

Aspirations Day – Autumn 1 Year 1

Hairdresser

We spoke about **respect** and about hair, and how everybody's hair is different. We looked at people's hair around the world and discussed how they are different. We looked at the job of a hairdresser, and what tools they need to do their job. We explored different hairstyles and even got the chance to cut some crazy hair!
