

# Virtual Memory Book

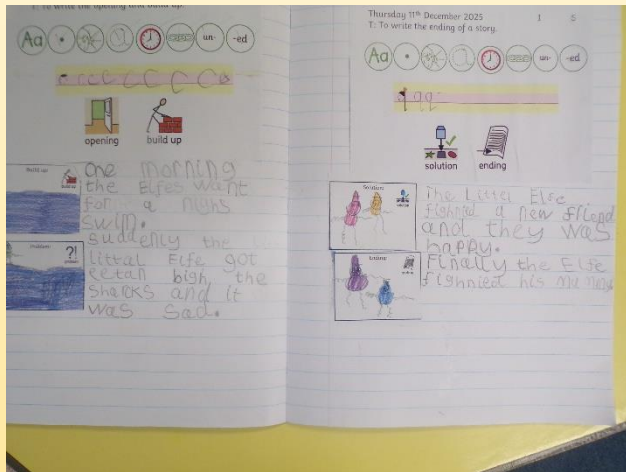

**Robins**  
Autumn 2 - 2025

# English

In English this half term, we have written our own version of Stick Man. We had lots of variations – such as Elf Man, Bauble Man and Sausage Man! We had lots of fun playing with all the different options.

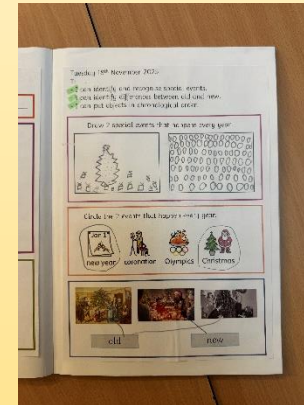

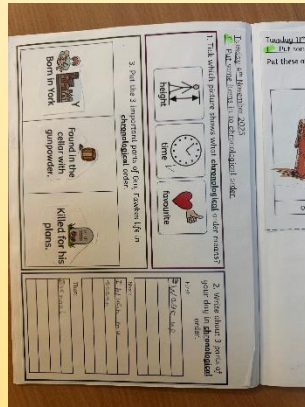

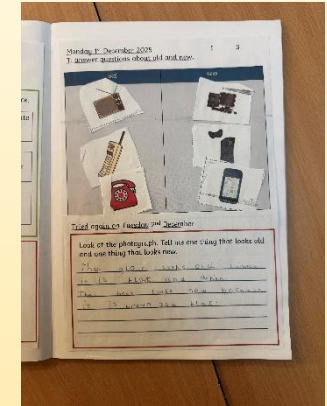

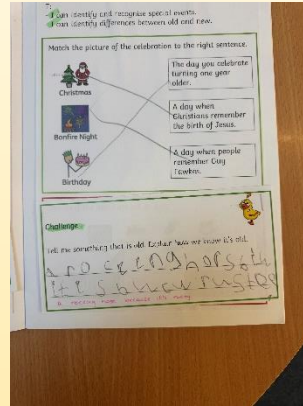

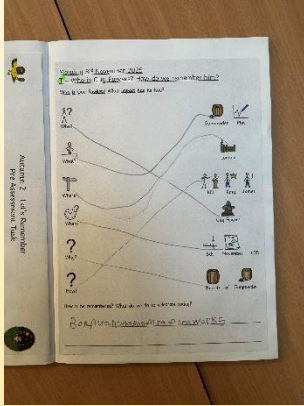

This half term in Maths we completed our learning on Addition and Subtraction within 10 and shape.

# Mathematics

# Let's Remember

In our topic this half term, we learnt all about special events – such as bonfire night and Christmas. We looked at Guy Fawkes and his plot to kill the King (at the time), and we looked at items from a long time ago. We talked about how we know they are from a long time ago because of the materials they are made from, the colours and even if they can use electricity.

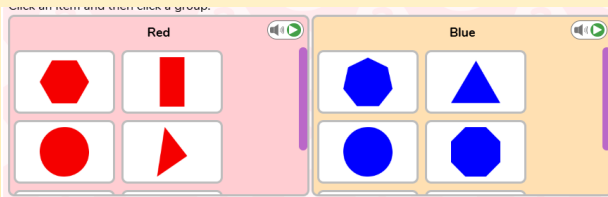

# Art and DT

We honoured Remembrance Day in our very own way, making our poppies by cutting out the pieces and sewing them together. We used a thimble to protect our thumb.

# Computing

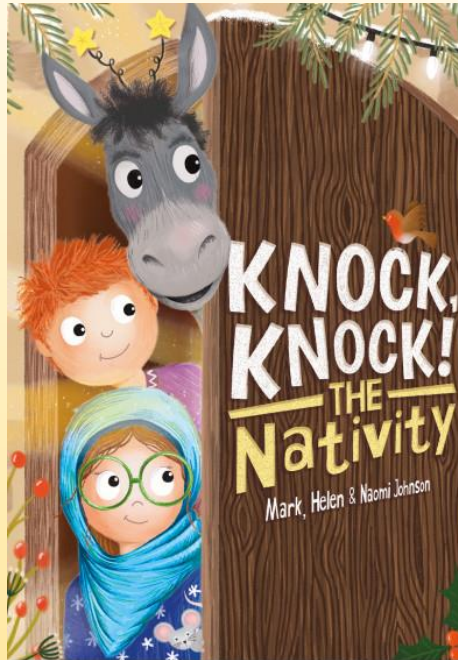

In computing this half term we learnt how to sort and group items. We started doing this without a computer, then moved on to the iPad.

We also learnt about what to do if we see something online that we don't like.

# Music

In music we learnt lots of different songs for our Nativity performance. We even performed one of them at the church.

# PE

This half term, we have been learning all about Dance. We learnt that counting to 8 is important when dancing.

# Aspirations Day – Autumn 2 Year 1

# Chef

We had a fun Aspirations Day where we learnt all about the job of a chef. We talked about what chefs do and the special clothes they wear in the kitchen. We learnt how to check if an egg is fresh, and discovered that a tall chef's hat means a more important chef. We also found out that chef whites can be swapped quickly when they get dirty, so chefs can keep clean and safe. We really enjoyed learning about this exciting job!

# Trips / Visits / Special Weeks

We went on a trip to Pershore Abbey. We learnt all about the Abbey, how it is a sacred place, found items inside such as the pews and stained glass windows. Then in the afternoon we learnt all about the nativity story..

# Let's Remember

Take a look at some of our homework projects.
