

School Uniform at Inkberrow Primary School

Dear Parents / Carers,

School Uniform is a critical part of life in school. It supports the school's identity and children's sense of community. Therefore, the school uniform at Inkberrow Primary should include:

Girls	Boys
	
Pinafore dress/skirt shorts/trousers Short sleeved polo shirt Checked or striped dress Sweatshirt (with School logo) Long/short socks Tights Shoes (suitable for School) Bobbles / Head bands	Grey White Yellow and white *Yellow (only) White or grey White or grey Black School colours
PE kit (in a named PE bag) Shorts/pants Socks T-shirt Pumps (trainers are not suitable). Black Trainers for fieldwork Children have bare feet for indoor gymnastics unless there is a medical reason.	

Jewellery

For safety reasons children are not allowed to wear jewellery including bracelets, bangles, necklaces or rings. Earrings should be plain studs only.

Hair

Long hair should be tied back and a hair band used for long fringes to keep hair out of the eyes. This applies to all pupils.

Nail Varnish

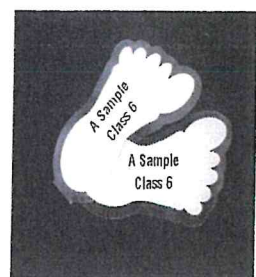

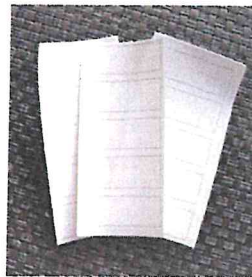

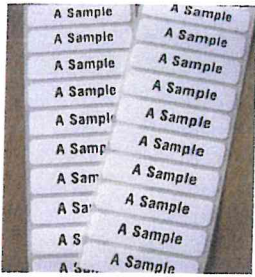

We ask that children remove all nail varnish before coming into school

All items can be bought from most children retailers apart from the School Sweatshirt, which is only available from the school. The school regularly reviews the cost of this item and acts on comments and feedback from parents on the quality of the product. PE shirts and Book Bags which have the school Logo on are recommended purchases and are also available to order online through the school website.

Thank you in advance

Mr G. Duggan-Seville

IMPORTANT WASH CARE INSTRUCTIONS

Order Your School Uniform Online

Parents Direct Delivery

FREE delivery on orders over £50.00

SUPPLYING SCHOOLS Since 1990

- Always refer to your garment care label to ensure that your uniform looks as good as new for as long as possible. We produce tough, hardwearing uniform, however it is important that you follow the care labels correctly to ensure you get the best out of your purchase.
- Turn garments inside out to wash and dry
 - Fasten any buttons before washing
 - Do not overload machine
 - Iron inside out on a cool setting to avoid heat damage, which can cause a shiny surface on fabrics (do not iron knitwear or cuffs and welts on sweatshirts)
 - Bobbling/Pilling is caused by friction and excessive heat. It is also known within the British textile industry that fabric softeners are a major cause of bobbling/pilling of the fabric. Bobbling/pilling often disappears over time and is not a reflection on the quality of the garment.
