

Inkberrow Primary School

Coronavirus (COVID-19): catch-up funding plan

The government is providing schools with £650 million of universal catch-up premium funding for the 2020/2021 academic year. The aim of the funding is to help pupils catch up on education they have missed due to the coronavirus (COVID-19) pandemic. Schools should use this funding for specific activities to support their pupils to make up for lost teaching over the previous months. While funding has been allocated on a per-pupil or per-place basis, schools should use the amount available to them as a single total from which to prioritise support for pupils according to their needs. Schools do not need to spend the funds in the financial year beginning 1 April 2020, and may carry some or all catch-up premium funds forward to future financial years if they wish. The Education Endowment Foundation's '[School Planning Guide 2020-21](#)', may help schools to develop their plans for the premium. For more details, please refer to our [QA](#) regarding the catch-up premium.

This template plan enables schools to outline how they are going to invest their funding for the whole school, targeted support and wider areas, e.g. supporting parents – at the end there is a summary report to outline the overall goals of the spending. Each section of the plan outlines the relevant considerations for schools, including actions to be taken, the aim of the intervention, how much the intervention will cost, who the lead member of staff will be and any additional comments. The plan should be completed in full and sent out to all relevant stakeholders.

Please note that the ESFA has published its [provisional allocations](#) for the catch-up premium for the 2020/2021 academic year.

Catch-up plan

School name:	Inkberrow Primary School						
Academic year:	2020-2021						
Total number of pupils on roll:	2019/2020 (158)		2020/2021 (190)				
Total catch-up budget:	£15,200	First installment:	£3,040	Second installment:	£5,830	Third installment:	
Date of review:							

Teaching and whole-school strategies
