

Part B: Review of the previous academic year 2022/2023

Outcomes for disadvantaged pupils

We have analysed the performance of our school's disadvantaged pupils during the previous academic year, drawing on national assessment data and our own internal summative and formative assessments.

The data demonstrated that:

- Pupil Premium Pupils at Inkberrow perform well in relation to their peers.
- Recovery and School Based Tutoring remain of high importance and have supported pupils to close the gap in attainment
- Children have access to THRIVE provision to support Social and Emotional skills
- Children have attended school clubs, residentials and some music instrumental tuition
- School uniform has been provided
