# Read Write Inc.

Parents Meeting

October 2021

**Glenn Duggan-Seville**

## What is Read Write Inc?

*Read Write Inc. Phonics* is a whole-school approach to teaching literacy for 4 to 9-year olds that creates fluent readers, confident speakers and willing writers. It integrates phonics with comprehension, writing, grammar, spelling and handwriting, using engaging partner work and drama. The online subscription provides planning and assessment support plus beautifully illustrated stories and poems.

## What will this look like?

The vast majority of work will be in Reception – Year 2, although some children who will need extra support with Phonics at KS2 will be included.

This is a 30 – 45 min session each morning and the children are grouped according to their phonic ability. It will not replace any English, SPAG or Reading for enjoyment

It is most successful when it is taught consistently across the school. Everyone needs to work as a team to adopt the principles for teaching and learning.

# How is it structured?

RWI is a daily phonics session that lasts between 30 – 45 minutes

This is planned at the same time across all classes as the groups are flexible

We have decided this as schools need to nominate a phonics programme

It is a mixture of reading and writing from a set of staged books

Taught in 3 sets of sounds

All books and home reading are included in the scheme

Additional writing is added in

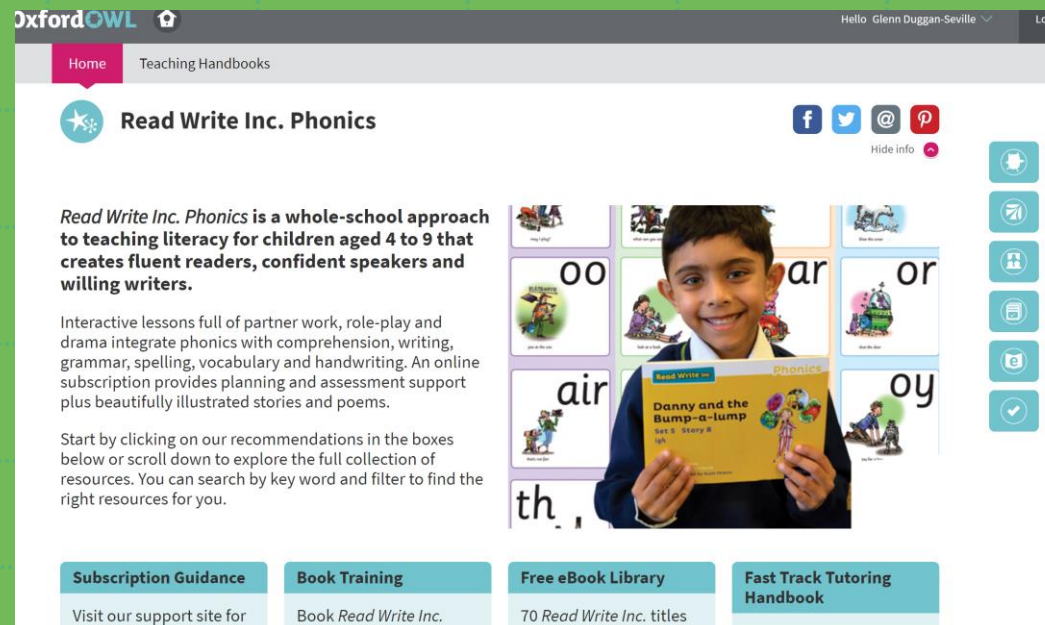

All work to be included in a purple RWI book

# Oxford Owl

You have all been set up with an Oxford Owl subscription – you will have been sent an email.

Log on details for parents are:

The screenshot shows the Oxford Owl website interface. At the top, there is a navigation bar with the Oxford Owl logo, a home icon, and a user profile section that says "Hello Glenn Duggan-Seville" and "Log out". Below the navigation bar, there is a "Home" button and a "Teaching Handbooks" link. The main content area features the "Read Write Inc. Phonics" logo and social media icons for Facebook, Twitter, Instagram, and Pinterest. A "Hide info" button is also present. The main text describes the program: "Read Write Inc. Phonics is a whole-school approach to teaching literacy for children aged 4 to 9 that creates fluent readers, confident speakers and willing writers." It further explains that interactive lessons integrate phonics with comprehension, writing, grammar, spelling, vocabulary, and handwriting, and that an online subscription provides planning and assessment support along with beautifully illustrated stories and poems. A section titled "Start by clicking on our recommendations in the boxes below or scroll down to explore the full collection of resources. You can search by key word and filter to find the right resources for you." is followed by a grid of resource boxes. The central box features a young boy holding a book titled "Danny and the Bump-a-lump Set 2 Story 2". Other boxes show phonics words like "oo", "ar", "or", "air", "oy", and "th". At the bottom, there are four buttons: "Subscription Guidance" (Visit our support site for), "Book Training" (Book Read Write Inc.), "Free eBook Library" (70 Read Write Inc. titles), and "Fast Track Tutoring Handbook".

# The Colour Bands and Assessment

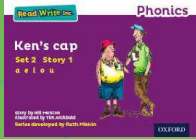

Red Ditty

## Assessment:

The children are assessed every 6 weeks by one person who then groups the children according to level. This is just not about pure sounds, but how the children read, segment, blend and put words together in their head.

## Home Reading Books:

The children will still bring home their colour reading book from the library

# The Reading Books

What are 'green' words? Every speed sound has a list of green words linked to it, so your child can 'sound out' and 'sound blend' words containing the new speed sound they have just learnt, for example d-a-d dad.

at	mad
sad	dad
sat	mat

What are 'red' words? They can be thought of as the tricky words because you can't 'sound them out' to read them. These words are common words that appear often in reading and need to be learnt by sight. We practise these words as part of our daily phonic session.

# Get Writing

When teaching a book (text) in class, there are some follow up writing activities

These can either be 3 days / 5 days

Throughout the lesson, the children are asked to complete different exercises from the Get Writing Book. These are then put in their RWI workbook in class

Some examples:

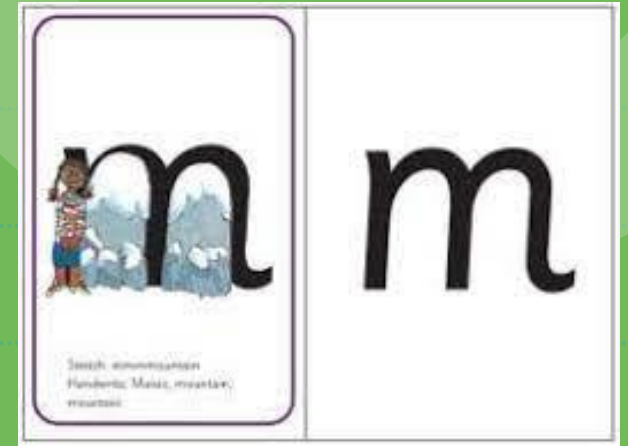

- Hold a Sentence
- Corrections
- Longer writing sessions
- Editing

# Handwriting
